2008

Congressman Rodney P. Frelinghuysen

TO:
APPLICANTS TO THE U.S. SERVICE ACADEMIES

FROM:
CONGRESSMAN RODNEY P. FRELINGHUYSEN, 11TH DISTRICT, NEW JERSEY

A Member of Congress nominates ten applicants for one vacancy to be filled at an Academy, and is not permitted to have more than five men or women in each Academy at one time. Generally, a vacancy is created only by graduation. At the Merchant Marine Academy, I nominate ten young men and women who must compete with other nominees on a statewide basis for a quota of six appointments allotted to the State of New Jersey.

My nominations to all Service Academies are strictly competitive, based on recommendations of an Academy Review Board. This Board is comprised of members of the community with business, education and military background and experience. The conclusions of the Board members are reached after studying the academic record and extra-curricular activities of each applicant. A final selection will be made by my Academy Review Board, following the applicant's personal interview.

The Academies require that you complete a separate application and take a medical qualification examination to insure that you can meet the rigid standards of physical fitness.

Your parent or guardian is required to execute an Affidavit of Residence form to show that you are a legal resident of the 11th Congressional District of New Jersey. This complies with the statutory specifications for appointment.

The announcement of those selected for nomination will be made by January 15th. The final selection in the competition of the men and women who are nominated is determined by the academic board of each Academy, which selects candidates considered to be the best qualified on the basis of all-around ability and the likelihood of success in the military profession.

Please report your scores on the SAT directly to me by using my assigned SAT code number 2496. My ACT code number is 7534.

All applications and required material must be in my office prior to October 15, 2008 in order to receive consideration by my Academy Review Board.

GENERAL INFORMATION

Each congressional office uses a selection process for academy nominations designed to meet its own needs and standards. The different procedures are often confusing to applicants who apply to more than one source. **Misunderstandings can be avoided by carefully studying and following instructions of each office.** **PLEASE NOTE:** By signing the application you will have indicated an understanding and acceptance of nomination requirements as set forth by the office of Congressman Rodney Frelinghuysen.

Because of the extreme competition for nominations, you are urged to apply to every nominating authority available to you (both US Senators, your local Congressman, and the Vice President.) Should your eligibility allow, you may also apply to the President. Ideally, students seeking a nomination should begin the congressional and academy process in April of their junior year in high school.

For classes entering in the summer of 2009, Congressman Frelinghuysen will have one vacancy each at the U.S. Air Force Academy, U.S. Military Academy, U.S. Naval Academy, and the U.S. Merchant Marine Academy. Included is an informational fact sheet outlining the requirements of Congressman Frelinghuysen's Review Boards for each academy.

Due to the large number of applicants, you will be interviewed for **only** one academy. Therefore, careful consideration should be given to your choice of an academy. Academy designation may be changed any time prior to October 15, 2008. **Exception:** Naval Academy candidates may also be interviewed for the Merchant Marine Academy.

Contact with the admissions office of the academy of your preference is imperative. The academy will establish a file and forward general information and detailed admissions requirements including a Prospective Candidate Questionnaire.

The Review Board will conduct a personal interview with each applicant meeting all requirements. Selections are made competitively on the basis of academic performance, leadership potential, extra-curricular activities, physical fitness, personal interviews, and letters of recommendation. Ten names for each vacancy will be recommended by the board to Congressman Frelinghuysen for nomination. The final ranking and subsequent appointments will be at the discretion of the academies. Ten alternates for each vacancy will also be recommended to the Congressman. Should any nominations become available through cancellation, medical disqualification, or any other reason, alternates will be reconsidered.

Certain information **must be provided** for you to be considered an applicant. **It is YOUR responsibility to submit the required information.** The **postmark deadline** for file completion is **October 15, 2008.**

In order that more 11th District applicants have an opportunity to be reviewed by the academies, please let us know immediately if you are nominated by another authority. Additionally, should you change your career goals, please notify us. This will offer the opportunity to another student.

PLEASE PRINT OR TYPE THE ENTIRE APPLICATION

FACT SHEET

U.S. Air Force, Military, and Naval Academies require you be at least 17, but not have passed your 23rd birthday by July 1 of the year of induction. A candidate must be unmarried with no dependents.

Once taken, the examination may be used for all service academies and four-year ROTC scholarships programs.

NOTE: Graduation from a United States Service Academy obligates you to serve five years of Active Duty Service.

REQUIREMENTS

Residency: Applicant must be a legal resident of the 11th Congressional District.

Application Form: The enclosed application should be completed and returned **promptly** along with a photograph. It **is preferred** that you send your information as you complete it. **Please do not wait** to send required information at one time. It is your responsibility to ensure that **all** information is provided. Please feel free to call our office at any time to check on the status of your file.

3 Letters of Recommendations: Choose someone who knows you well (a teacher, coach, employer, etc.) to write a recommendation letter for you. Have the person sign their name across the seal of the envelope. Only three recommendation letters will be presented to the review boards. Please do not submit additional letters. If the person writing your letter insists on mailing it to our office, be sure they use the Morristown address and please call to verify that it has been received. **It is your responsibility to confirm that the materials needed to complete your file have been received by this office.**

Deadline: Send the above information to the Morristown office. All information must be postmarked by **October 15, 2008**.

Service academy nominating boards will convene **only** on November 22 & 23, 2008. Every effort has been made to avoid conflicts with district and state sports activities. The personal interview is a non-waiverable element of the application process. Interviews will be held in the Morristown office. Special arrangements can be made with dependents of active duty military personnel who are located outside the State. You **MUST** call our office to discuss these arrangements no later than 3 weeks prior to the postmark deadline.
